

Dear Friends,

The 3rd Annual ChaseN'Tailz KDW Fishing Tournament 501c3 being hosted by the Amazing Harbourside Place in Jupiter, FL is gearing up! Our tournament is in memory of our son, Chase Warren, who passed away August 7th, 2013 at 10 months old from Gaucher type 2. This is an exciting year as we are sanctioned as a Division 8 SKA tournament, 3rd leg of the Beast of the East Series, and we have doubled in size each year! We are offering incredible advertising and vendor space at one of the hottest locations in Jupiter, a swimsuit contest, live music, dock-space, raffles, silent auction, food, and drinks.

We will start with a Kick-Off Party in August with sponsor advertising at the most popular local brewery, Twisted Trunk Brewing. Last year, we packed the place with over 200 anglers offering a raffle, a chance at 1 free entry into the tournament, a free drink, and dinner. The Captains' Meeting and a raffle will be September 8th at Harbourside Place. After a wonderful day of fishing on September 10th, anglers will weigh-in and families be able to enjoy the ChaseN'Tailz Family Event at Harbourside Place starting at 1:00 pm. This event will draw a larger crowd and allow sponsors/vendors to display their products/services for several hours prior to and during the Awards Ceremony.

We promote our tournament in many ways! Through social media, email, print ads, the Palm Beach Boat Show, and via our company, Canvas & Towers. Our committee is staffed with local connected individuals in the fishing/boating community and this offers us greater access to our audience. We also offer promotion on our tournament boat that fishes all local tournaments.

Your sponsorship helps to make sure no other child will suffer like Chase and our family has. We donate to support research towards fatal neurological diseases that have now been linked to Parkinson's disease. There is no treatment or cure and these children suffer a horrible death, starting with losing the ability to eat, swallow, hear, see, move, and then breathe. The Children's Gaucher Research Fund is a non-profit organization dedicated to providing 100% of all donations to fund research to find a treatment. The creators of this wonderful foundation also lost their son to this horrific disease and work tirelessly now to fund research to find a treatment. Also this year, we have added a local children's charity benefiting children with cancer and their families, Kid's Cancer Foundation.

Without a doubt this year will be even better than last year! We hope that you will be a part of the best KDW in Palm Beach County! The sponsor levels are enclosed and offer amazing advertising opportunities. This year the Heaviest KDW Fish will pay out \$5000 and guaranteed to draw a huge turn-out. We are now a 501c3, for more information, please visit www.chasentailz.com or
